About Adlabs Imagica

Adlabs Imagica is India's first and only International standard Theme Park, offering fun, action, entertainment, dining and shopping at a single location.

Adlabs Imagica is no ordinary theme park. There's nothing of this scale, or anything close to it in India and the Subcontinent. Where others have rides, Imagica is driven by a whole world of fantastical themes to bring Indian families' experiences that they have never had before. No expense has been spared to bring in world class international designers, the best architectural elements and the most exciting novel attractions to rival any park in the world.

Discover the many worlds of Imagica through journeys that will live with you forever:

- Viva Europa
- Arabia
- Jambo Africa
- Americana
- India
- Asiana

In every zone you will be immersed in a new theme that will extend through every touch-point. Themed attractions, area design, landscaping, themed dining and retail, ambient music, character design, building facades, props, interactive installations, and merchandise. All these are not just elements, but instill a feeling of escapism in the park. This escapism is what will separate Adlabs Imagica from all other parks in India, making it at par with the best theme parks around the world.

With **26 attractions & rides** and **5 themed restaurants**, Imagica is a place where stories come alive.

**Themed attractions at Imagica:**

**Rajasaurus River Adventure**

Transport yourself at the feet of dinosaurs! Travel way back into an era where humans are not welcome by the prehistoric creatures. Beware of the mighty Rajasaurus, who is particularly displeased with the encroaching tourists. Crouch and defend you must, because the dinosaur is definitely not glad to see you. Like most adventures, this one too saves the best for the last- a 66 feet drop. So, bon voyage and hope you make it back to our times safely.

**Mr. India- The Ride**

Once again, Mogambo khush hua! Why? Because he is back! The infamous Bollywood villain survived the destruction of his island and is back to capture the invisibility bracelet and slay Mr. India, once and for all. So, get on board Mr. India’s yellow car along with Seema and TP, his new sidekick robot and help him withstand Mogambo’s vengeance. Incepted for the first time in India, the motion simulation technology lends an absolutely new way of experiencing Mr. India’s contemporary adventure. Get ready for some new age “Hawa- Hawai”.
**I For India**

The best of India from an eagle’s eye view! Soar over India and experience a cinematic showcase of the most marvellous sights, landscapes, monuments and cities of India just like a bird. It’s going to be one proud celebration of the beauty of India. Gear up for goosies! Buckle up on your unique flying seats, get suspended in the air and watch this mesmerising film projected at 48 FPS on a 90 feet wide screen. The India in your mind will never be the same again!

**Deep Space**

To the moon and back! Hop on to this high adrenaline rollercoaster that takes you into outer space among galaxies and black holes passing through various planets and meteors. This coaster is uniquely constructed inside a massive dome, which itself is a sight from miles away. The Deep Space coaster is doubly mind blowing. Firstly, it is India’s first dark coaster ever. And secondly, it works on the Linear Synchronous Motor (LSM) magnetic launch, which has been used in India for the very first time. This technology will shoot you to crazy speeds in a matter of mere seconds. So, gear up for this truly out-of-this-world experience.

**Salimgarh**

Uncover the haunting mystery! Mind you, Salimgarh is not for the feeble hearted. It is believed that Aurangzeb, the Mughal king, imprisoned his daughter Zebunissa for twenty years in this very fort. No one knows what happened to her. Only when you travel through Salimgarh’s dark passages, will you know if she is long dead or still alive amidst the haunted walls.
Cinema 360- Prince of the Dark Waters

Experience a fantastical world encompass you! A beautiful story of a world thriving deep under water is narrated in a way you have never experienced before. Watch the realm of mythical mermaids come alive at Cinema 360 dome theatre. The story, displayed through 6 projectors at a 4k resolution onto screens as massive as 3100 sq feet, quite effectively transports you far far away into the dark waters.

Alibaba Aur Chalis Chorr

Claim your treasure! Walk around the souks of the exquisite kingdom of Gulabad and you will discover a cave. Just like the story of Alibaba goes, you must manoeuvre through the exquisite hidden cave and shoot all the forty nasty thieves with your Arabic flintlock pistol. Only if you succeed, will a treasure be uncovered to you. So, go ahead and shoot 'em up. This interactive dark ride is the first of its kind in India.

Wrath of the Gods

Gods of fury! When humans disturb the harmony in the shrine of the elemental gods, wrath is the least you can expect. Experience the ultimate outrage of the ancient deities of Wind, Water and Fire through a perfect blend of live theatre, special effects and multimedia in this disaster ride.
Scream Machine

Swing n' spin n' scream! This gigantic rotating pendulum is surely for the crazy ones. Spinning all the while, rise to steep angles much above ground level with a whole lot of suspended air time. We promise, you will scream your lungs out!

The Scream Machine oscillates to an angle of 120 degrees to a height of 148 feet and is the tallest ride of its kind in India.

D2 Dare Drop

Shoot to the sky and drop to the ground! This one won't elevate you at a snail's pace but launch you to crazy heights in a matter of seconds. Before you can even soak in the view, you will drop faster than gravity and experience a crazy blood rush.

This only "shot and drop" attraction in India lifts you up to a height of 132 feet with 4G – force each way. The highest speed at which you travel is about 73 km/hr. This ride is truly a dare.

Gold Rush Express

Welcome to the Wild Wild West! All aboard this mine train that will take you through the world of Jesse James and Butch Cassidy. From the ravines and the ranch grounds of the cowboys to the parlours and the saloons of the pistol wielding outlaws, this journey is not going to be an easy one.

This ripping ride drops you from the height of 66 feet and sends you speeding through tunnels and abandoned gold mines. After all, surviving the old American West was always a rollercoaster ride!
Save the Pirate

Row, row, row your boat! Just that you will be rowing upstream in a hurry to save your pirate friend stranded at the top of the tower. So, work those muscles, mighty tots! Because, the first boat to get to the top wins.

Tubbbly Takes Off

The flight of a baby elephant! Tubby has been learning to fly with the help of his father. Voila! He has succeeded. Come join him in his first flight aboard a merry-go-round.

Loch Ness Expplorers

Beware of the Loch Ness monster! The legendary monster has finally made an appearance in the Scottish lake of Loch Ness. Get on to a log and explore the flumes and the rapids created by the emergence of this famous Loch Ness Monster. What’s a water expedition if not nail-bitingly exciting!

Mambo Chai Chama - Crazy Tea Cups

African crockery goes mambo! Pick your seat in one of the tea cups and control it’s movements against the others. Spinning in frenzy around a monumental tea pot requires a fair quota of madness.

Bandits of Robin Hood

Speed through the Sherwood Forest in this junior roller coaster! It will take you through the world of Robin Hood and his Merry Men. So, get into your bandit mode and gear up for a fun ride!
**Bump It Boats**

This is going to be one bumpy ride! Pick your super awesome motored raft and buckle up. Select your target, race toward them and then hit. Water fights will have a fun new meaning.

---

**The Magic Carousel**

Magically gallop in cinematic slow motion! A classic entertainer, the carousel, is a must – do for the child in you. Our Arabic carousel will take you down a beautiful nostalgia lane. And if you are a child, here’s a treat you will never forget.

---

**Splash Ahoy!**

A wild water battle awaits! Get on board the pirate boats armed with deadly water guns. Target your opponents, duck from their aim and save yourself from getting drenched by enemy pirates. Watch out! Even bystanders could attack you.

---

**Happy Wheelss**

Happy Wheelss is a Driving School for the kids’, that teaches them how to drive and the basic rules of real life driving like stopping at the red light, giving way to other vehicles, what to do when turning left or right, using the right lane and more. Happy Wheelss has colourful double seater cars with a real dashboard, seat belts, brake and an accelerator pedal.
Humpty’s Fall

Humpty’s Fall is a mini drop ride; an evergreen one for the kids. With a short 10 meter height, this tower rotates 360 degrees while it goes up and down. Mum and Dad can take a seat, and jump happily up and down, together with their kids.

Wagon-O-O-Wheel

Wagon-O-O-Wheel is a mini Ferris wheel for the kids. At a height of a little over 10 meters and equipped with 6 carts, this one is not only exciting for the kids, but also brings back some nostalgic moments for Mum and Dad.

The Detective Bow Wow Show

An interactive attraction housed in a movie theatre-like room. Kids gather around a window like opening for a live chat with Detective Bow Wow. This show is a blend of computer graphic techniques, image projection, and interactive improvisation.
Nitro

Get a ride on India's Biggest Baddest Rollercoaster. Standing at a staggering 132-feet height, with over 2800 feet of track length, Nitro provides an adrenaline rush during the 150 seconds of pure excitement! It goes through five exciting inversions and loops. Once the riders are harnessed onto the pedestal style chairs, the floor gives way, providing a "floorless" effect. Unlike any conventional coaster, which allows the passengers to have their feet firmly on the ground, this unique coaster is designed to simulate a “flying chair”, giving every passenger a virtual front-row view through the five inversions.

Motion Box Theatre

Experience the thrill of 4D effects! This is a Motion Simulator Ride. This unique attraction is a 4D cinema where a stereoscopic 2D or 3D film plays on the screen and the seats add the 4th dimension by way of vibration, aromas etc.

Zooballoo

A band of fun wild animals has landed at Imagica to turn your day into a happy musical water splash! A music band created by five fun wild animals is here to entertain you. Not only do they play awesome music, but they also splash tons of water. So, while the kids enjoy the water streams ejected by the elephant, the alligator, the baboon and the kangaroo, you could sit by on a bench and cool off from the adrenaline excitement of Imagica or jump right in for some splattering fun!
